Internship report

Preface:

In this internship report we will describe my experience during my internship period. The internship report contains an activities tasks and projects that we have worked during their internship writing this report I will also describe and reflect my learning objects and personal goals that I have set during my internship period.

Acknowledgement:

The internship opportunity we had with Govt Boys Hr. Sec. School, Kuminipet was a great chance for learning and professional development. There for we are considered ourselves as a very lucky for having a chance to meet so many wonderful people and professionals who led me though this internship period

Internship:

The school internship programme is the back bone of teacher education. It is the most essential and crucial part of the programme as student-teacher observe and get to appreciate the intricacy of each and every process involved in the management of schools records and register. In continuation with the series of curricular process, student teacher of B.Ed.

During the internship student teachers interacted with the school principals and other staff members and carried out the different task assigned to them. The main objectives of the programme were

To make student teacher aware of all the logs

To make pupil teacher aware of the principal involved in time table construction

To explore the difficulties faced by teacher in the comprehensive evaluation

Report:

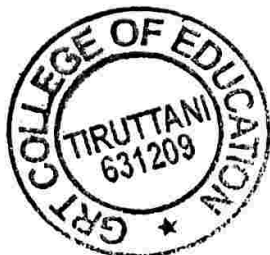

As a part of competition of B.Ed on internship programme is to be completed. It is the privilege of the student in attends such internship programme that is much rewarding so far as the experience of internship a trainee is concerned. The names of team members of the programme have provided below.

| |
|------------|
| Swetha N G |
|------------|

| |
|-------------|
| Selva Raj R |
|-------------|

Conclusion:

I can honestly say that my time spent interning with Govt Boys Hr. Sec. School, Kuminipet resulted one of the best part of my life not only I did gain practical knowledge but I also had the opportunity to meet many fantastic people.
