GRT COLLEGE OF EDUCATION, TIRUTTANI

5.1.2 - Available student support facilities in the institution

1. A scooter-cum-Motorcycle stand has been provided for the use of students and staff members. Car parking facility is also provided in the college campus.
2. There are separate arrangements of common rooms for boys and girls. Facilities are available in both the common rooms. Access to the girl's common room is strictly reserved to girl students only.
3. Sports facilities/ equipment/ fields and gymnasium are available with the college. College shares sports stadium with its institutions.
4. There is a Medical Room in the College which provides first aid and ambulatory facility is available within the campus in case of emergency.
5. The College runs 30 buses for providing transport facility to students from various places in the area. The number of buses will be increased corresponding to the increase in the intake of students.
6. Book Bank facility is a unique feature of the institute wherein meritorious and economically backward students are provided text books from the library. The students are required to fill in the forms and a Committee is authorized to sanction the facility to the deserving and needy students. Every year a large collection of textbooks is added to the existing book bank of the library. The Library Up gradation Committee ensures that the outdated, old-edition books and text books no longer prescribed by the university are weeded out and latest editions are added to the Book Bank for the benefit of the students.
7. The College has made all the necessary arrangements for providing clean and pure drinking water to the students and all staff. Each drinking water point has a branded water purifier for the uninterrupted supply of water. Water Purification: The drinking water is purified by the water purifier installed within the Academic block. Cold Water: During summer, fresh and pure drinking water is provided to the students and staff through the Water Cooler. It is to ensure that the students and staffs of the College remain hydrated during scorching heat along with sound health. The Maintenance Committee regularly checks the functioning of water purifier and water cooler. Proper repair and replacement are done in order to ensure pure and safe drinking water for all. As a healthy practice only pure and fresh water is allowed for cooking in the College canteen and also in students' hostel.

8. GRT College of Education provides its students one of the most comfortable boarding facilities in the region. Entitling each student to an individual bed, wardrobe, armchair and desk. Air-conditioned and non air-conditioned rooms are available on an individual/sharing basis. Toilets and washrooms are maintained to hygiene standards by the cleaning staff. All rooms have running hot and cold water.
9. College has two canteens and one General store in the campus. College shares canteens and general store with its institutions.
10. Separate toilets for girls as well as availability of water are essential for basic human rights that enhance the atmosphere where the education is imparted. It can also be put in the compartment of basic needs and requirements in college.
