REPORT ON MUSIC CONCERT

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate **75 years of independence** and the glorious history of its people, culture and achievements.

The individual states and cities of India will also celebrate the same at their local level. Thene, one of the popular cities of India has created its own version of Utsav 75 at Thane, which will be held from August 12 to 15 and spread all over the city. The celebrations include various programs, performances, various rallies, community carnivals, etc.

You may choose any kind of music, and the performance may also include dance, theater, or some other type of activity. The objective of the report is to encourage you to think analytically about the music, the experience of the performers and the audience members, and the whole context of the performance, and then to convey an informative and interesting description of your experience.

Your observations should be informed by your reading, listening, and class work to the extent it is pertinent to the particular performance. Some things will be more directly observable than others; some aspects will depend heavily on your interpretation of events. For instance, it is usually relatively simple to note which instruments are being used, how many performers are involved, and when the audience applauded, but

determining whether the audience applauded because they loved the music or because they were simply being polite is an interpretive act.

Music is one of the most unique performing arts due to the way it has evolved. Styles and melodies considered unfit in one era are displayed prominently in another.

To start with prayer song, it should be mentioned that the concert had two pieces performed. Each Performance had a relatively slow start that engaged the students by captivating their emotional stance. In addition, when keenly listened into, it was possible to the various performances have done by the students.

Through the music concert our college students are created awareness among the village peoples. Our students also participated the annual day musical events, they were received the prizes. Dr N.Panneer Selvam Music Lecturer organized the various Music events related the Music.

PURPOSE OF THE CHRISTMAS

“I bring you good tidings of great joy, which shall be to all people.” —Luke 2:10

“Glory to God in the highest, and on earth peace, good will toward men.” —Luke 2:14

Christmas is the most awaited and celebrated holiday of the year. What makes it so special? Why is it that people are more giving, cheerful, caring, and kind during this time? What really is the purpose of Christmas?

Based on the Bible passage from the Gospel of Luke 2:10-14, it is a time for great joy, a reason to celebrate. But do most of us know what is it that we celebrate? Christmas has become such a big commercial enterprise that the baby Jesus is often forgotten amid all the Santa Claus, the Grinch, the Disney characters that have become the face of this season. One must not forget that the reason we celebrate Christmas is because *“God loved the world so much that he gave his one and only Son, so that everyone who believes in him will not perish but have eternal life.”* This is the good news that we were a given thousands of years ago, for all people, and still holds true up to this time.

The purpose of Christmas is to celebrate that God loves us, is with us and for us, all the time. Unlike most things, it does not have an expiry date and is not limited to one day. We should be more giving, more caring, most kind, more respectful of others every day of our lives. This is what the good Lord wants all of us to do: *good will toward all and on earth, peace.*

As we celebrate this festive Season, may we be filled with joy, hope, peace, and love not just for our family and friends, but for every person we meet throughout the coming year. Let us all be kind and be a friend to one another.

On 23rd of December, our College celebrated both Christmas and New Year. The celebration had taken place in the Seminar hall, GRT COE. The B.Ed., students had decorated the hall. There was the Christmas Tree decorated with lamps and toys and flowers in one corner of the hall. We had also decorated the stage with Merry Christmas and Happy New Year tags. We celebrated both the events (Christmas Day and Welcoming of New Year) together.

The Principal and the whole staff came. We welcomed them.
