

GRT COLLEGE OF EDUCATION

TIRUTTANI-631 209

(Recognised by NCTE & Approved by Govt. of Tamil Nadu Affiliated by
Tamil Nadu Teacher's Education University)

PREAMBLE

The purpose of this document is to present a research policy frame work for the design, management, optimizing infrastructure and development at GRT College of Education, Tiruttani.

Faculties are requested to participate in research, publish their work and participate in national and international conferences to present the research date and generate new concepts in the emerging areas, if required by collaborating with other institutions and universities.

AIMS OF THE POLICY

1. Provide a guideline for the conductance and publication of the research work.
2. Define and priorities the areas for research to be conducted in the GRT COE.
3. Provide essential infrastructure support for the research work.
4. Establish rational, transparent, merit based decision – making systems for the allocation of financial and other support for research.
5. Promote the research and motivate the faculty member.

GUIDELINES:

1. Research committee will be responsible for conducting all types of activities related to research.
2. Authors can select any suitable journal for the publication of their work.
3. The researchers should be encouraged to seek the funds for their projects from external funding agencies.
4. Internal funding for the research can be provided and the mechanism for the same needs to be established.
5. There should be a research and recognition committee for each faculty to guide and monitor the research activities periodically to enhance the quality of research.

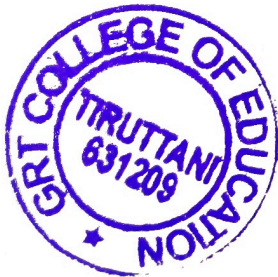

6. The faculty and post graduate students should be encouraged to attend state, national and international conferences and present their work in these conferences, using posters, preferably by oral presentations.

POLICY FOR THE RESEARCH SUPPORT

GRT College of Education has designed the proactive policy to promote the research, thus motivating the faculty members and students of the GRT College of Education to undertake the activities by adopting a policy of integration support by adopting following special norms.

- Travel grant to present papers in national and international conferences.
- Research funding for the projects.
- Seed money will be provided for doctoral studies/ research projects.
- Provision of leaves for teachers for research field work.
- Organizational support for research by institution.
- Confidential feedback by teachers every year.
