PRINCIPAL'S COMMUNIQUE

“Let us be grateful to the people who make us happy: they are the charming gardeners who make our souls blossom”

I am happy that GRT College of Education, Tiruttani has continued its tradition of bringing out our college Newsletter quarterly. I am very glad to share that Newsletter comes in very handy for knowing the various activities that have taken place in the campus. It covers many developments and activities that took place since previous issue. The college Newsletter will definitely help to showcase the activities which took place in the campus. It also helps in building up teamwork, which is essential in today's competitive world. It provide platform for exploring the merits and achievements of students and faculty members.

A newsletter inspires and motivates both staff and students, for it reminds them of the zeal that they had while performing something. Our college has been progressing at an exponential rate since its inception. I put on record kudos to the editorial team.
